Applicable for Four- and Two-Year Institutions – Measured for Fall 2000

According to Section 59-101-350, the Commission is responsible for collecting “the percent of lower division instructional courses taught by full-time faculty, part-time faculty, and graduate assistants” from four- and two-year post-secondary institutions to be included in the annual report to the General Assembly.

The Commission will use previously-reported CHEMIS information for data in this table. Institutions will have an opportunity to proof this information prior to the publication of the January 2001 report. Faculty definition will be any faculty, staff or graduate assistant who teach a credit course.
